

# POST CARE

## BROW LAMINATION + HENNA BROW

- Avoid steam, moisture, or wetting your lashes for the first 24-48 hours following your appointment.
- Aggressive or harsh face washing should be avoided. Gentle face washing is recommended.
- Avoid facial scrubs or excessive oils and products. Oil free products are recommended. Including oil free makeup remover.
- Allow at least 4 weeks between Henna Brow appointments.
- Pre-book your next lift in 8 weeks to stay on track.
- Brush brows everyday.
- To avoid brow hairs from kinking, brush them everyday and use a clear mascara to hold them in place.
